

VizZen™ : BRING DATA INTO FOCUS.

CHOOSE THE VizZen™ LICENSE THAT IS RIGHT FOR YOU

VizZen is an innovative, customizable, secure Data Management COTS software solution that merges multiple sources of any data type in any data format to create a single best version of the truth. Through visualization VizZen provides a deeper understanding of data and allows new patterns and relationships to be revealed. VizZen provides an immersive solution that can consolidate and conflate unprecedented volumes of diverse data content creating data governance platform with both transparency and interoperability between data and analysts. This removes the barriers between content, analysis, decision making and business outcomes.

LICENSE TYPES

Our multiple licensing models for VizZen allows you to buy the right license for your needs. Choose the license that fits your business. Not sure which license is the right one for your enterprise, let us help you choose the right option .

WE MAKING BUYING
VizZen EASY

SUMMARY OF VizZen TERMS & CONDITIONS

This is a summary of the VizZen ENTERPRISE LICENSE AND PROFESSIONAL SERVICES AGREEMENT (hereinafter the "License Agreement"). To review a full version of the License Agreement please visit the VizZen website at www.vizzen.ballaerospace.com. Ball Aerospace has developed and owns the copyright and all other proprietary and intellectual property rights pertaining to and subsisting in a computer program and related documentation known as Ball Aerospace VizZen Software® (hereinafter "VizZen")

ENTERPRISE LICENSE

Enterprise License Grant. Subject to the terms and conditions contained in this License Agreement, Licensor grants to Licensee a non-exclusive, non-transferable Enterprise License to use the Licensed Software in accordance with Enterprise License Package type purchased by the customer.

License Term. The License Term of the Enterprise License granted herein shall be as set forth in accordance with the license purchased by the customer. If the License Term is on a non-perpetual basis, the Enterprise License will automatically renew for additional one (1) year periods unless either party gives the other party written notice of its intention not to renew the Enterprise License not less than thirty (30) days prior to the expiration of the then-current License Term.

Permitted Usage Level. The Permitted Usage Level authorized for this Enterprise License shall be as set forth in accordance with the license purchased. At any time during the term of this License Agreement, Licensee may increase the Permitted Usage Level authorized for its Enterprise License by notifying Licensor and paying the additional Licensing Fee required. If a Permitted Usage Level increase is requested in the midst of a non-perpetual License Term, the additional Licensing Fee shall be pro-rated for the remainder of the then-current License Term.

Delivery and Acceptance. Licensor shall deliver the object code version of the Licensed Software to Licensee within thirty (30) days of the Effective Date of this License Agreement. Licensee shall be deemed to have accepted the Licensed Software upon the Acceptance Date.

SUPPORT AND CUSTOM DEVELOPMENT SERVICES

Technical Support Services. During the term of this License Agreement, Licensee shall receive Technical Support Services from Licensor at the specified level for the Support Services Plan set forth in accordance with the support level chosen by the customer. If the Basic Support Plan has been chosen, Licensee may upgrade its Technical Support Services Plan to the Premium Support Plan at any time by payment of the fee specified in the license.

Custom Development Services. During the term of this License Agreement, Licensee has the ability to request Custom Development Services. If ordered, the Custom Development Services to be provided will be described in detail on a Custom Development Services Agreement.

FREE TRIAL PERIOD

A thirty-day, no-risk, free-trial period can be granted upon request to Licensee. If Licensee decides not to proceed with its purchase of an Enterprise License, Licensee must take the following actions prior to the expiration of the free-trial period: (1) uninstall the Licensed Software from all of its computer systems; (2) return all copies of the Licensed Software in its possession to Licensor; (3) deliver written notice to Licensee of its intention to decline the license purchase along with its reasons therefor; and (4) deliver a written certification to Licensee stating that Licensee has ceased all use of the Licensed Software throughout its Enterprise.
